

New Hampshire Statewide Fire Mobilization Plan Performance Objectives

Performance Objectives for Essential Staff Officers (ESO)
(ESO = Task Force/Strike Team Commanders, Dispatchers, and Police Personnel)

Performance Objectives:

1. Given copies of the NH Statewide Fire Mobilization Plan, the concept of operations flow chart, the communications deployment flow chart, and five standardized worksheets, the ESO will:
 - a. Define the need for a Statewide Fire Mobilization Plan.
 - b. Define the Statewide Fire Mobilization Plan Concept of Operations.
 - c. Define the four NH task forces and their components: minimum staffing, personnel, and equipment.
 - d. Define four NH based strike teams and their components: minimum staffing, personnel, and equipment.
2. The ESO will explain the communications deployment flow chart components including:
 - a. Requesting Community Dispatch System Duties and Functions (Local)
 - b. District Mutual Aid Dispatch System Duties and Functions (Regional)
 - c. Statewide Control Center Duties and Functions (Statewide)
3. The ESO will explain the following terms:
 - a. Assembly Point
 - b. Destination Staging Area
 - c. Role of Police Personnel Assigned to a Task Force/Strike Team
4. Given a list of stakeholders, the ESO will define his/her duties and responsibilities when activated as a Task Force or Strike Team Commander, a dispatcher, or a police security officer:
 - a. Regional Mutual Aid Dispatch Center
 - b. Assembly Staging Area
 - c. Task Force/Strike Team Companies
 - d. Task Force/Strike Team Sending Communities
 - e. Task Force/Strike Team Police Liaison
 - f. Statewide Control Center
 - g. Destination Dispatch Center
 - h. Incident Commander
 - i. Regional Mutual Aid System
 - j. NH Federation of Mutual Aid Systems
